**JURISDICTION**

14. Plaintiff intends on revisiting the Property to purchase goods and/or services as a return customer living in the near vicinity as well as for Advocacy Purposes, but does not intend to re-expose himself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

15. Plaintiff travelled to the Property as a customer and as an independent advocate for the disabled, encountered the barriers to access the Property that are detailed in this Complaint, engaged those barriers, suffered legal harm and legal injury, and will continue to

**COUNT I**  
**VIOLATIONS OF THE ADA AND ADAAG**

16. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

17. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

18. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;

- (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

\* \* \* \* \*

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

19. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

20. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

21. The Property is a public accommodation and service establishment.

22. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

23. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

24. The Property must be, but is not, in compliance with the ADA and ADAAG.

25. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property as well as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his

access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

26. Plaintiff intends to visit the Property again in the very near future as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

27. Defendant, PETEREIT'S MIRACLE CORNERS, LLC, has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

28. Defendant, PETEREIT'S MIRACLE CORNERS, LLC, will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant, PETEREIT'S MIRACLE CORNERS, LLC, is compelled to remove all physical barriers that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

29. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed, or was made aware of prior to the filing

of this Complaint, that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

**ACCESSIBLE ELEMENTS:**

- (i) Near the Family Thrift Center, due to a policy of having a large concrete trashcan in the middle of the exterior accessible route, there are publicly accessible areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by Section 403.5.1 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access exterior public features of the Property. (Also add below)
- (ii) Due to a policy of not having parking stops for the parking spaces directly in front of the exterior access route, cars routinely pull up all the way to the curb and the "nose" of the vehicle extends into the access route causing the exterior access route to routinely have clear widths below the minimum thirty-six (36") inch requirement specified by Section 403.5.1 of the 2010 ADAAG Standards. This violation would make it dangerous and difficult for Plaintiff to access exterior public features of the Property.
- (iii) Due to a policy of not having parking stops for the parking spaces directly in front of the exterior access route, cars routinely pull up all the way to the curb and the "nose" of the vehicle extends into the access route as a result, in violation of Section 502.7 of the 2010 ADAAG Standards, parking spaces are not properly designed so that parked cars and vans cannot obstruct the required clear width of

adjacent accessible routes. This violation would make it dangerous and difficult for Plaintiff to access exterior public features of the Property.

- (iv) Near Lone Star Finance, due to a policy of having a large concrete trashcan in the middle of the exterior accessible route, there are publicly accessible areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by Section 403.5.1 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access exterior public features of the Property.

- (v) Near Payless Furniture, due to a policy of Defendant of allowing a tenant to place furniture for sale in the exterior accessible route, there are publicly accessible areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by Section 403.5.1 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access exterior public features of the Property.

- (vi) Due to the policies set forth in (i), (ii), (iii), (iv) and (v) above, the Property lacks a single accessible route connecting accessible facilities, accessible elements and/or accessible spaces of the Property in violation of Section 206.2.2 and 206.2.4 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access public features of the Property.

- (vii) Near Unit 112, the access aisle adjacent to the accessible parking spaces has a slope in excess of 1:48 in violation of Section 502.4 of the 2010 ADAAG standards and are not level. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.

- (viii) Across the vehicular way from Unit 112, the accessible parking spaces and associated access aisle have an inverted-slope in excess of 1:48 in violation of Section 502.4 of the 2010 ADAAG standards and are not level. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (ix) Directly in front of Unit 112, the accessible parking spaces and associated access aisle have a downward slope in excess of 1:48 in violation of Section 502.4 of the 2010 ADAAG standards and are not level. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (x) Near Unit 112, the accessible parking space is not level due to the presence of an accessible ramp in the accessible parking space in violation of Section 502.4 of the 2010 ADAAG standards. At a minimum, the access aisle is not at the same level as the accessible parking space it serves. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (xi) Near Unit 112, the accessible curb ramp is improperly protruding into the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This violation would make it difficult and dangerous for Plaintiff to exit/enter their vehicle.
- (xii) Near Unit 112, the Property lacks an accessible route from this accessible parking space to the accessible entrances of the Property, due to location of the accessible ramp in the accessible parking space resulting in the ramp being blocked when a

vehicle parks in the accessible space, in violation of Section 208.3.1 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access the units of the Property.

- (xiii) Near Unit 112, the accessible parking space has an access aisle that has vertical rises exceeding ¼ inch in height causing a change in level and is therefore in violation of Sections 303.2 and 502.4 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (xiv) Near Unit 112, due to the placement of a parking stop in the access aisle, there is at least one access aisle that has excessive vertical rise of four inches and constitutes a change in level and is therefore in violation of Section 303.2 and 502.4 of the 2010 ADAAG standards. In addition, this parking stop encourages a vehicle to park in the access aisle in violation of Section 502.3.3 of the 2010 ADAAG Standards. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (xv) Near Unit 104, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. At a minimum, the access aisle is not at the same level as the accessible parking space it serves. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (xvi) Near Unit 104, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010

ADAAG Standards. This violation would make it difficult and dangerous for Plaintiff to exit/enter their vehicle.

- (xvii) Near Unit 1240, the two accessible parking spaces and associated access aisle have a surface slope in excess of 1:48 in violation of Section 502.4 of the 2010 ADAAG standards and are not level. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (xviii) Near Unit 1240, the access aisle serving the accessible parking space near Unit 6451 is not at the same level as the parking space it serves in violation of Section 502.4 of the 2010 ADAAG Standards. This violation would make it difficult for Plaintiff to exit and enter his vehicle if parked at that accessible parking space.
- (xix) Near Crazy Boss Big Discounts, the three accessible parking spaces have a slope in excess of 1:48 in violation of Section 502.4 of the 2010 ADAAG standards and are not level. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (xx) Near Crazy Boss Big Discounts, one accessible parking space is not located on the shortest distance to the accessible route leading to the accessible entrances in violation of Section 208.3.1 of the 2010 ADAAG Standards. This violation would make it for Plaintiff to access the units of the Property.
- (xxi) Near Payless Furniture, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.

(xxii) Near Payless Furniture, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This violation would make it difficult and dangerous for Plaintiff to exit/enter their vehicle.

(xxiii) Near Payless Furniture, the accessible ramp side flares have a slope in excess of 1:10 in violation of Section 406.3 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access the units of the Property.

(xxiv) Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

30. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

36. Upon information and good faith belief, the Property has been altered since 2010.

37. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

38. 39. Plaintiff's requested relief serves the public interest.

40. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, PETEREIT'S MIRACLE CORNERS, LLC.
